WHY ERB TRANSPORTE?

Our strengths – your competitive edge

Fast consignment pick-up:

Nationwide consignment pick-up usually within 60 -120 minutes.

Hand in hand:

Cross-location cooperation ensuring smooth express logistics.

Cross-border logistics at the highest level:

Europe-wide reach, including to third countries such as Switzerland, Serbia, Turkey and the UK.

Diversity and multilingualism:

Our team speaks over 10 languages and combines cultures from different countries for stronger collaboration.

COMMITMENT

Service expertise you can count on

Available 24/7 – 365 days a year:

Always there for you - reliably around the clock.

Proactive status updates:

Our service department and information systems always keep you proactively informed about the shipping status - for maximum transparency every step of the way.

Transparency for our customers:

With GPS tracking, our customers can keep an eye on their consignments in real time.
